

**REMARKS**

The Office Action of January 10, 2006, and the cited art have been carefully considered. The recognition of allowable subject matter in claims 12, 14, 21 and 22 is gratefully acknowledged. The application has been amended to put the allowed claims in proper form. Reconsideration of the rejection of the application is respectfully requested based on the amendments.

It is believed that a full and complete response to the Office Action has been made, that the Application as amended is patentably distinct over the cited art, and that the case is now in condition to be passed to issue. Reconsideration of the amended application is therefore requested, and an early favorable notice of allowance is courteously solicited.

Respectfully submitted,

By: William E. Meyer
